

Dear Parent/Carer,

We are delighted to say we have now finalised all our venues for Play and Youth Schemes. Thank you to all those who suggested venues and helped with the search.

Due to the government guidelines we are restricted in the number of children we can take. We have tried to meet the needs of all the children to ensure parents/carers have a break, the children and young people still have fun and we protect the safety of our staff.

Please note the change in venues below and ensure you read this carefully.
