- 6 bottles will be delivered to your door including Sancerre, Chablis, Champagne, Fleurie, Bordeaux and Monbazillac
- Tim will share his 25 years of experience by talking you through the creation and characteristics of these wonderful wines and explain why they taste so good
- You'll receive accompanying tasting notes
- A list of perfect cheese and menu pairings to help maximise the experience – we strongly advise that you buy these in advance
- Tim will also test us with a fun wine related '**Quiz**' where you will get the chance to win a nice bottle of Moet Chandon!
- The Tasting will last around 90 minutes but of course you can carry on sampling your wines for the rest of the night!

Cost is:

- **£110 for 6 full bottles of wine (including delivery) PLUS a donation of your choice to White Lodge**
